

**COUNTY OF FAYETTE, ILLINOIS**

---

ORDINANCE NUMBER 2015-06-09-A

**AN ORDINANCE PREVAILING WAGE**

---

ADOPTED BY THE FAYETTE COUNTY BOARD  
OF THE COUNTY OF FAYETTE, ILLINOIS

THIS 9th DAY OF JUNE, 2015

---

PUBLISHED BY THE AUTHORITY OF  
THE COUNTY BOARD OF FAYETTE COUNTY

THIS 9th DAY OF JUNE, 2015

ORDINANCE NO. 2015-06-09-A

AN ORDINANCE APPROVING PREVAILING WAGE

WHEREAS, Fayette County, Illinois (the "County"), has heretofore been duly organized and is now operating as a county under the provisions of the Illinois Counties Code, and all laws amendatory thereof and supplementary thereto (the "Code"); and

WHEREAS, the State of Illinois has enacted, "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivisions or by anyone under contract for public works", approved June 26, 1941, as amended (Illinois Compiled Statutes, (820 ILCSW 130/1 et seq.) as amended; and,

WHEREAS, the aforesaid Act requires that the County Board of Fayette County investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said Fayette County employed in performing construction of public works, for said Fayette County.

NOW THEREFORE, BE IT ORDAINED BY THE COUNTY BOARD OF FAYETTE COUNTY, ILLINOIS:

**SECTION 1. INCORPORATION OF PREAMBLES.**

The County hereby finds that the recitals contained in the preambles to this Ordinance are true and correct and does incorporate them into this Ordinance by the reference.

**SECTION 2. APPROVAL.**

To the extent and as required by "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivisions or by anyone under contract for public works" approved June 26, 1941, as amended, the general prevailing rate of wages in this locality for laborers, mechanics

and other workers engaged in construction of public works coming under the jurisdiction of the Fayette County Board is hereby ascertained to be the same as the prevailing rate of wages for construction work in the Fayette County area as determined by the Department of Labor of the State of Illinois as of June of 2015, a copy of the determination being attached hereto and incorporated herein by reference. As required by said Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the Fayette County Board. The definition of any terms appearing in this Ordinance which are also used in aforesaid Act shall be the same as in said Act.

**SECTION 3. EXCEPTION.**

Nothing herein contained shall be construed to apply said general prevailing rate of wages as herein ascertained to any work or employment except public works of the Fayette County Board to the extent required by aforesaid Act.

**SECTION 4. AUTHORIZATION TO OFFICERS.**

The Fayette County Clerk shall publicly post or keep available for inspection by any interested party in the main office of the Fayette County Board this determination or any revisions of such prevailing rate of wage. A copy of this determination or of the current revised determination of prevailing rate of wages then in effect shall be attached to all contract specifications.

The Fayette County Clerk shall mail a copy of this determination to any employer, and to any association of employers and to any person or association of employers who have filed their names and addresses, requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.

The Fayette County Clerk shall promptly file a certified copy of this Ordinance with the Illinois Department of Labor.

SECTION 5. AUTHORIZATION TO OTHERS. All Officers, Employees and Agents of the County are hereby authorized, empowered, and directed to take any and all actions necessary, appropriate or convenient to effectuate the purposes of this Ordinance.

SECTION 6. SEVERABILITY.

If any section, paragraph, clause or provision of this Ordinance shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Ordinance.

SECTION 7. REPEALER.

All ordinances, resolutions, or orders, or parts thereof, in conflict with the provisions of this Ordinance are to the extent of such conflict hereby repealed.

SECTION 7. PUBLICATION.

The Fayette County Clerk shall cause to be published in a newspaper of general circulation within the area a notice that this Ordinance has been adopted and such publication shall constitute notice that the determination is effective and that this is the determination of this public body.

ADOPTED by the County Board of the Fayette County, Illinois on the 9<sup>th</sup> day of June, 2015, upon yea and nay vote as follows:

JEAN B. FINLEY	<u>Yea</u>
JACOB HARRIS	<u>Nay</u>
JOHN C. DANIELS, JR.	<u>Yea</u>
STEPHEN L. KNEBEL	<u>Absent</u>
JEFFREY BECKMAN	<u>Nay</u>

**Explanations**

FAYETTE COUNTY

ELECTRICIANS (NORTH) - Townships of Bowling Green, Carson, Hurrigan, Loudon, Ramsey, and South Hurricane.

GLAZIERS (SOUTHWEST) - That part of the county South and West of diagonal line running between the Bond, Montgomery, Fayette junction and North of Farina.

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

Oil and chip resealing (O&C) means the application of road oils and liquid asphalt to coat an existing road surface, followed by application of aggregate chips or gravel to coated surface, and subsequent rolling of material to seal the surface.

EXPLANATION OF CLASSES

ASBESTOS - GENERAL - removal of asbestos material/mold and hazardous materials from any place in a building, including mechanical systems where those mechanical systems are to be removed. This includes the removal of asbestos materials/mold and hazardous materials from ductwork or pipes in a building when the building is to be demolished at the time or at some close future date.

ASBESTOS - MECHANICAL - removal of asbestos material from mechanical systems, such as pipes, ducts, and boilers, where the mechanical systems are to remain.

CERAMIC TILE FINISHER AND MARBLE FINISHER

The handling, at the building site, of all sand, cement, tile, marble or stone and all other materials that may be used and installed by [a] tile layer or marble mason. In addition, the grouting, cleaning, sealing, and mixing on the job site, and all other work as required in assisting the setter. The term "Ceramic" is used for naming the classification only and is in no way a limitation of the product handled. Ceramic takes into consideration most hard tiles.

ELECTRONIC SYSTEMS TECHNICIAN

Installation, service and maintenance of low-voltage systems which utilizes the transmission and/or transference of voice, sound, vision, or digital for commercial, education, security and entertainment purposes for the following: TV monitoring and surveillance, background/foreground music, intercom and telephone interconnect, field programming, inventory control systems, microwave transmission, multi-media, multiplex, radio page, school, intercom and sound burglar alarms and low voltage master clock systems.

Excluded from this classification are energy management systems, life safety systems, supervisory controls and data acquisition systems not intrinsic with the above listed systems, fire alarm systems, nurse call systems and raceways exceeding fifteen feet in length.

OPERATING ENGINEER - BUILDING

GROUP I. Cranes, Dragline, Shovels, Skimmer Scoops, Clamshells or Derrick Boats, Pile Drivers, Crane-Type Backhoes, Asphalt Plant Operators, Concrete Plant Operators, Dredges, Asphalt Spreading Machines, All Locomotives, Cable Ways or Tower Machines, Hoists,

Hydraulic Backhoes, Ditching Machines or Backfiller, Cherrypickers, Overhead Cranes, Roller - Steam or Gas, Concrete Pavers, Excavators, Concrete Breakers, Concrete Pumps, Bulk Cement Plants, Cement Pumps, Derrick-Type Drills, Boat Operators, Motor Graders or Pushcats, Scoops or Tournapulls, Bulldozers, Endloaders or Fork Lifts, Power Blade or Elevating Graders, Winch Cats, Boom or Winch Trucks or Boom Tractors, Pipe Wrapping or Painting Machines, Asphalt Plant Engineer, Journeyman Lubricating Engineer, Drills (other than Derrick Type), Mud Jacks, or Well Drilling Machines, Boring Machines or Track Jacks, Mixers, Conveyors (Two), Air Compressors (Two), Water Pumps regardless of size (Two), Welding Machines (Two), Siphons or Jets (Two), Winch Heads or Apparatuses (Two), Light Plants (Two), All Tractors regardless of size (straight tractor only), Fireman on Stationary Boilers, Automatic Elevators, Form Grading Machines, Finishing Machines, Power Sub-Grader or Ribbon Machines, Longitudinal Floats, Distributor Operators on Trucks, Winch Heads or Apparatuses (One), Mobil Track air and heaters (two to five), Heavy Equipment Greaser, Relief Operator, Assistant Master Mechanic and Heavy Duty Mechanic, self-propelled concrete saws of all types and sizes with their attachments, gob-hoppers, excavators all sizes, the repair and greasing of all diesel hammers, the operation and set-up of bidwells, water blasters of all sizes and their clutches, hydraulic jacks where used for hoisting, operation of log skidders, iceolators used on and off of pipeline, condor cranes, bow boats, survey boats, bobcats and all their attachments, skid steer loaders and all their attachments, creter cranes, batch plants, operator (all sizes), self propelled roto mills, operation of conveyor systems of any size and any configuration, operation, repair and service of all vibratory hammers, all power pacs and their controls regardless of location, curtains or brush burning machines, stump cutter machines, Nail launchers when mounted on a machine or self-propelled, operation of con-cover machines, and all Operators except those listed below).

GROUP II. Assistant Operators.

GROUP III. Air Compressors (One), Water Pumps, regardless of Size (One), Waterblasters (one), Welding Machine (One), Mixers (One Bag), Conveyor (One), Siphon or Jet (One), Light Plant (One), Heater (One), Immobile Track Air (One), and Self Propelled Walk-Behind Rollers.

GROUP IV. Asphalt Spreader Oilers, Fireman on Whirlies and Heavy Equipment Oilers, Truck Cranes, Dredges, Monigans, Large Cranes - (Over 65-ton rated capacity) Concrete Plant Oiler, Blacktop Plant Oiler, and Creter Crane Oiler (when required).

GROUP V. Oiler.

GROUP VI. Operators on equipment with Booms, including jibs, 100 feet and over, and less than 150 feet long.

GROUP VII. Operators on equipment with Booms, including jibs, 150 feet and over, and less than 200 feet long.

GROUP VIII. Operators on Equipment with Booms, including jibs, 200 feet and over; Tower Cranes; and Whirlie Cranes.

GROUP IX. Master Mechanic

OPERATING ENGINEERS - Highway

GROUP I. Cranes, Dragline, Shovels, Skimmer Scoops, Clamshells or Derrick Boats, Pile Drivers, Crane-Type Backhoes, Asphalt Plant Operators, Concrete Plant Operators, Dredges, Asphalt Spreading Machines, All Locomotives, Cable Ways or Tower Machines, Hoists, Hydraulic Backhoes, Ditching Machines or Backfiller, Cherrypickers, Overhead Cranes, Roller - Steam or Gas, Concrete Pavers, Excavators, Concrete Breakers, Concrete Pumps, Bulk Cement Plants, Cement Pumps, Derrick-Type Drills, Boat Operators, Motor Graders or Pushcats, Scoops or Tournapulls, Bulldozers, Endloaders or Fork Lifts, Power Blade or Elevating Graders, Winch Cats, Boom or Winch Trucks or Boom Tractors, Pipe Wrapping or Painting Machines, Asphalt Plant Engineer, Journeyman Lubricating Engineer, Drills (other than Derrick Type), Mud Jacks, Well Drilling Machines, Boring Machines, Track Jacks, Mixers, Conveyors (Two), Air Compressors (Two), Water Pumps regardless of size (Two), Welding Machines (Two), Siphons or Jets (Two), Winch Heads or Apparatuses (Two), Light Plants (Two), All Tractors regardless of size (straight tractor only), Fireman on Stationary Boilers, Automatic Elevators, Form Grading Machines, Finishing Machines, Power Sub-Grader or Ribbon Machines, Longitudinal Floats, Distributor Operators on Trucks, Winch Heads or Apparatuses (One), Mobil Track air and heaters (two to five), Heavy Equipment Greaser, Relief Operator, Assistant Master Mechanic and Heavy Duty Mechanic, self-propelled concrete saws of all types and sizes with their attachments, gob-hoppers, excavators all sizes, the repair and greasing of all diesel hammers, the operation and set-up of bidwells, water blasters of all sizes and their clutches, hydraulic jacks where used for hoisting, operation of log skidders, iceolators used on and off of pipeline, condor cranes, bow boats, survey boats, bobcats and all their attachments, skid steer loaders and all their attachments, creter cranes, batch plants, operator (all sizes), self propelled roto mills, operation of conveyor systems of any size and any configuration, operation, repair and

service of all vibratory hammers, all power pacs and their controls regardless of location, curtains or brush burning machines, stump cutter machines, Nail launchers when mounted on a machine or self-propelled, operation of con-cover machines, and all Operators (except those listed below).

GROUP II. Assistant Operators.

GROUP III. Air Compressors (One), Water Pumps, regardless of Size (One), Waterblasters (one), Welding Machine (One), Mixers (One Bag), Conveyor (One), Siphon or Jet (One), Light Plant (One), Heater (One), Immobile Track Air (One), and Self Propelled Walk-Behind Rollers.

GROUP IV. Asphalt Spreader Oilers, Fireman on Whirlies and Heavy Equipment Oilers, Truck Cranes, Dredges, Monigans, Large Cranes - (Over 65-ton rated capacity) Concrete Plant Oiler, Blacktop Plant Oiler, and Creter Crane Oiler (when required).

GROUP V. Oiler.

GROUP VI. Operators on equipment with Booms, including jibs, 100 feet and over, and less than 150 feet long.

GROUP VII. Operators on equipment with Booms, including jibs, 150 feet and over, and less than 200 feet long.

GROUP VIII. Operators on Equipment with Booms, including jibs, 200 feet and over; Tower Cranes; and Whirlie Cranes.

GROUP IX. Mechanic

SURVEY WORKER - Operated survey equipment including data collectors, G.P.S. and robotic instruments, as well as conventional levels and transits.

TRUCK DRIVER - BUILDING, HEAVY AND HIGHWAY CONSTRUCTION

Class 1. Drivers on 2 axle trucks hauling less than 9 ton. Air compressor and welding machines and brooms, including those pulled by separate units, truck driver helpers, warehouse employees, mechanic helpers, greasers and tiremen, pickup trucks when hauling materials, tools, or workers to and from and on-the-job site, and fork lifts up to 6,000 lb. capacity.

Class 2. Two or three axle trucks hauling more than 9 ton but hauling less than 16 ton. A-frame winch trucks, hydrolift trucks, vector trucks or similar equipment when used for transportation purposes. Fork lifts over 6,000 lb. capacity, winch trucks, four axle combination units, and ticket writers.

Class 3. Two, three or four axle trucks hauling 16 ton or more. Drivers on water pulls, articulated dump trucks, mechanics and working forepersons, and dispatchers. Five axle or more combination units.

Class 4. Low Boy and Oil Distributors.

Class 5. Drivers who require special protective clothing while employed on hazardous waste work.

TRUCK DRIVER - OIL AND CHIP RESEALING ONLY.

This shall encompass laborers, workers and mechanics who drive contractor or subcontractor owned, leased, or hired pickup, dump, service, or oil distributor trucks. The work includes transporting materials and equipment (including but not limited to, oils, aggregate supplies, parts, machinery and tools) to or from the job site; distributing oil or liquid asphalt and aggregate; stock piling material when in connection with the actual oil and chip contract. The Truck Driver (Oil & Chip Resealing) wage classification does not include supplier delivered materials.

The rubbing, grinding, cleaning and finishing of same either by hand or by machine or by terrazzo resurfacing equipment on new or existing floors. When necessary finishers shall be allowed to assist the mechanics to spread sand bed,

lay tarpaper and wire mesh (2x2 etc.) or lath. The finishing of cement floors where additional aggregate of stone is added by spreading or sprinkling on top of the finished base, and troweled or rolled into the finish and then the surface is ground by grinding machines.

Other Classifications of Work:

For definitions of classifications not otherwise set out, the Department generally has on file such definitions which are available. If a task to be performed is not subject to one of the classifications of pay set out, the Department will upon being contacted state which neighboring county has such a classification and provide such rate, such rate being deemed to exist by reference in this document. If no neighboring county rate applies to the task, the Department shall undertake a special determination, such special determination being then deemed to have existed under this determination. If a project requires these, or any classification not listed, please contact IDOL at 217-782-1710 for wage rates or clarifications.

LANDSCAPING

Landscaping work falls under the existing classifications for laborer, operating engineer and truck driver. The work performed by landscape plantsman and landscape laborer is covered by the existing classification of laborer. The work performed by landscape operators (regardless of equipment used or its size) is covered by the classifications of operating engineer. The work performed by landscape truck drivers (regardless of size of truck driven) is covered by the classifications of truck driver.

WHEREAS, pursuant to the authority of 35 ILCS 516/35 the County of Fayette, as Trustee for the Taxing Districts, has undertaken a program to collect delinquent mobile home taxes;

WHEREAS, Pursuant to this program, the County of Fayette, as Trustee for the Taxing Districts, has acquired an interest in the following described mobile home:

MH PARK:  
VIN:  
YR/SQ FT: 1970 / 840

PERMANENT PARCEL NUMBER: 18-126

As described in certificate(s): NONE sold on November 14, 2011

Commonly known as: 2205 W FILLMORE ST LOT 21

and it appearing to the County board that it would be to the best interest of the County to accept full payment of the delinquent taxes, penalties, interest, and costs from the owner of an interest in said property.

WHEREAS, Malinda McClure, has paid \$948.84 for the full amount of taxes involved and a request for surrender of the tax sale certificate has been presented to the County board and at the same time it having been determined that the County shall receive \$520.40 as a return for its Certificate(s) of Purchase. The County Clerk shall receive \$15.00 for cancellation of Certificate(s) and to reimburse the revolving account the charges advanced from this account. The remainder is the amount due the agent for his services.

THEREFORE, your County board recommends the adoption of the following resolution:

BE IT RESOLVED BY THE COUNTY BOARD OF FAYETTE COUNTY, ILLINOIS, that the Chairman of the Board of Fayette County, Illinois, authorizes the cancellation of the appropriate Certificate(s) of Purchase on the above described mobile home for the sum of \$520.40 to be paid to the Treasurer of Fayette County, Illinois, to be disbursed according to law. This resolution to be effective for sixty (60) days from this date and any transaction between the above parties not occurring within this period shall be null and void.

ADOPTED by roll call vote this 16<sup>th</sup> day of April, 2015

Vicky Conder, County Clerk

  
Stephen Knobel, County Board Chairman

## Fayette County & Fayette Water Company COOPERATION AGREEMENT

The Fayette Water Company seeks to support the current efforts of the Fayette County Board (on behalf of Bear Grove Township) to obtain PY-2015 Public Infrastructure grant funds under the Community Development Assistance Program (CDAP) administered by the Illinois Department of Commerce and Economic Opportunity (DCEO). The grant funds would be used to support: \$735,950 in project construction costs; an additional \$52,000 to pay for resident project engineering inspection services; \$12,000 to support both one-time tap-on fees and the installation of small-diameter service laterals for as many as 90 qualifying low- and moderate-income households located in Bear Grove township adjacent to the proposed routes for the new 4- and 6-inch diameter water lines; and \$31,500 in CDAP grant funds to support a two-year contractual agreement for the provision of ongoing grant management and project administration services over the life of the construction phase of the project. All of the aforementioned project-related costs are intended to provide long-term, reasonably-affordable potable water service to as many as 104 unserved households scattered throughout unincorporated areas of Bear Grove Township. More importantly, these unserved predominantly low- and moderate-income households are presently faced with a serious health and safety threat due to their dependence upon improperly-constructed, often contaminated private water wells for drinking water.

As the duly elected officials of the Fayette Water Company, and the Fayette County Board, we are hereby executing this **Cooperation Agreement** to document our mutual support for the Fayette County Board's PY-2015 CDAP Public Infrastructure funding proposal along with our willingness to cooperate fully to foster the realization of additional public and private sector financing to support the future construction of badly-needed rural water main system improvements. In accordance with our joint support for the construction of the proposed water distribution system improvements in the selected project target area within the county, we hereby mutually agree to the following:

**Section 1:** That the Fayette County Board shall serve as the applicant for submission of the \$450,000 in PY-2015 CDAP Public Infrastructure grant funds with any attendant grant application preparation expenses paid to the South Central Illinois Regional Planning & Development Commission to be directly borne by the Fayette Water Company; ✓

**Section 2:** That the Fayette County Board agrees that, as applicant, it will utilize the expertise associated with the CDAP program possessed by a qualified project engineering firm and the South Central Illinois Regional Planning & Development Commission to assist the township in assuming responsibility for all aspects of the program's implementation and administration should the State of Illinois elect to award the aforesaid PY-2015 CDAP Public Infrastructure grant request;

**Section 3:** That the Fayette Water Company shall provide \$381,450 or more in local, non-CDAP funds to the balance of the total Public Infrastructure project-related costs associated with the proposed future water distribution system improvements proposed for construction to serve the aforementioned households located within western Fayette County;

**Section 4:** That the Fayette Water Company will, upon the future completion of all proposed water distribution system improvements and private lateral connections, etc., provide dependable, safe and reasonably-affordable potable water service to the rural households located adjacent to the proposed new 4- and 6-inch diameter PVC water lines to be installed in exchange for payment of the customary monthly user charges established from time to time by the Fayette Water Company; and

*Cooperation Agreement (cont.)*

**Section 5:** That, upon the execution of this Cooperative Agreement and completion of all future Public Infrastructure construction and subsequent construction-related activities associated with the proposed water distribution system improvements to serve the present and future potable water needs of western Fayette County, and activation of said water system improvements, it is understood by the Fayette County Board and the Fayette Water Company that the ownership and perpetual maintenance responsibilities for such new public infrastructure improvements will be vested in the Fayette Water Company.
