This section involves the removal of the existing structure and construction of a new, 11' span x 9' rise, double barrel, cast-in-place concrete box culvert. The new culvert will be 32' long with no skew.

LOCAL PUBLIC AGENCY APPROPRIATION - REQUIRED FOR STATE LET CONTRACTS

METHOD OF FINANCING - (State-Let Contract Work Only)

Check One

METHOD A - Lump Sum (80% of LPA Obligation _____)

Lump Sum Payment - Upon award of the contract for this improvement, the LPA will pay the STATE within thirty (30) calendar days of billing, in lump sum, an amount equal to 80% of the LPA's estimated obligation incurred under this agreement. The LPA will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) in a lump sum within thirty (30) calendar days of billing in a lump sum, upon completion of the project based on final costs.

METHOD B - _____ Monthly Payments of _____ due by the _____ of each successive month.

Monthly Payments - Upon award of the contract for this improvement, the LPA will pay to the STATE a specified amount each month for an estimated period of months, or until 80% of the LPA's estimated obligation under the provisions of the agreement has been paid. The LPA will pay to the STATE the remainder of the LPA's obligation (including any nonparticipating costs) in a lump sum, upon completion of the project based upon final costs.

METHOD C - LPA's Share Balance _____ divided by estimated total cost multiplied by actual progress payment.

Progress Payments - Upon receipt of the contractor's first and subsequent progressive bills for this improvement, the LPA will pay to the STATE within thirty (30) calendar days of receipt, an amount equal to the LPA's share of the construction cost divided by the estimated total cost multiplied by the actual payment (appropriately adjust for nonparticipating costs) made to the contractor until the entire obligation incurred under this agreement has been paid.

Failure to remit the payment(s) in a timely manner as required under Methods A, B, or C shall allow the **STATE** to internally offset, reduce, or deduct the arrearage from any payment or reimbursement due or about to become due and payable from the **STATE** to the **LPA** on this or any other contract. The **STATE** at its sole option, upon notice to the **LPA**, may place the debit into the Illinois Comptroller's Offset System (15 ILCS 405/10.05) or take such other and further action as may be required to recover the debt.

THE LPA AGREES:

1. To acquire in its name, or in the name of the **STATE** if on the **STATE** highway system, all right-of-way necessary for this project in accordance with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, and established State policies and procedures. Prior to advertising for bids, the **LPA** shall certify to the **STATE** that all requirements of Titles II and III of said Uniform Act have been satisfied. The disposition of encroachments, if any, will be cooperatively determined by representatives of the **LPA**, the **STATE**, and the **FHWA** if required.
2. To provide for all utility adjustments and to regulate the use of the right-of-way of this improvement by utilities, public and private, in accordance with the current Utility Accommodation Policy for Local Public Agency Highway and Street Systems.

The contract and all books, records, and supporting documents related to the contract shall be available for review and audit by the Auditor General and the **STATE**. The **LPA** agrees to cooperate fully with any audit conducted by the Auditor General, the **STATE**, and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this section shall establish presumption in favor of the **STATE** for recovery of any funds paid by the **STATE** under the contract for which adequate books, records and supporting documentation are not available to support their purported disbursement.
8. To provide if required, for the improvement of any railroad-highway grade crossing and rail crossing protection within the limits of the proposed improvement.

 24. (Project Closeout) The **LPA** shall provide the final report to the appropriate **STATE** district office within twelve (12) months of the physical completion date of the project so that the report may be audited and approved for payment. If the extended deadline is not met, this process must be repeated until the project is closed. The CFDA number for all highway planning and construction activities is 20.205.
 27. That the **LPA** is required to register with the System for Award Management or SAM, which is a web-enabled government-wide application that collects, validates, stores, and disseminates business information about the federal government's trading partners in support of the contract award and the electronic payment processes. To register or renew, please use the following website: <https://www.sam.gov/SAM/>

**Fayette County Illinois
A Resolution Regarding
Regional Return to Business**

RESOLUTION
NO: 2020-05-C

WHEREAS, the Governor of the State of Illinois Executive Order 2020-10 is continued and extended in its entirety for the duration of the Gubernatorial Disaster Proclamations, which currently extends through May 30, 2020; and

WHEREAS, the health and wellbeing of the citizens of Fayette County remains a constant concern for all officials of Fayette County and continued prudent self-protection and temporary safeguards are warranted; and

WHEREAS, The Fayette County Board and Health Department agrees with the Governor of Illinois' efforts to protect those most at risk through continued quarantine of Nursing, Group and Assisted Living facilities, the advised self-quarantine of the elderly and those residents with pre-existing conditions and the closure schools for the remaining school year; and

Whereas, several counties, municipalities, health departments, and state representatives have worked together to devise a three phased plan to reopen the economy for workers and businesses that monitors COVID19 case load, and the area medical facilities ability to treat life threatening conditions, herein referred to as the "Back to Business" plan, and

Whereas, Fayette County believes it is better able to monitor local changes in infections and the local areas ability to treat those infections than the regional approach proposed by the Governor on May 5, 2020 , and

WHEREAS, the rate of infection, illness and mortality has proven to be consistently lower in less populace, rural, downstate counties and demonstrably so in Fayette County; and

WHEREAS, the Governor of the State of Illinois Executive Orders, while exercising an abundance of caution with regard to controlling the spread of COVID-19, have had significant and potentially long-lasting negative impact on the economy of Fayette County; and

Whereas, the Governor of the State of Illinois has exceeded his authority granted to him for emergency orders not to exceed 30 days, under the Illinois Emergency Management Act, and

Whereas, the Governor of the State of Illinois has twice extended this order, and

Whereas, the Governor of the State of Illinois did not call the legislature into session to address and debate legislation to continue the restrictions implemented in his executive order of March 9, 2020, and

Whereas, any imposition of restrictions of constitutionally guaranteed rights by government is a form of martial law, and

WHEREAS, the ongoing restrictions on business threaten the livelihood and economy of Fayette County residents and in doing so threatens the enduring quality of publicly funded services such as schools and public safety; and

WHEREAS, each business remains responsible for their own compliance with Illinois State regulating bodies and are wholly responsible for their own liability in conducting business.

Whereas, Governor Pritzker has repeatedly stated he is relying of local government to enforce his executive orders, and

Whereas, the Fayette County Board did not exercise any authority to close businesses or impose any form of martial law in relation to the COVID19 pandemic in the County's emergency declaration, and

Whereas, the Fayette County Board has no legal authority to enforce Governor Pritzker's current or future restrictions on business or other infringements on personal liberties or constitutional rights, and

Whereas, the Fayette County Board acknowledges the importance of the entire well-being of the citizens of Fayette County to include their health and abilities to provide shelter and food for themselves and their families through work and economic livelihood,

Now Therefore, Be It Resolved, that the Fayette County Board endorses and recommends the Back to Business plan as described in attachment A of this document be promptly implemented, and that this plan should be immediately be shared with the Governor, as well as the leaders of the 4 caucuses of the Illinois Legislature and Senate, as well as any other county or municipality, businesses, or person requesting a copy of the plan.
